OPTRONICS Fiber Optic Patch Panel Drawer Type

Panel with SC Duplex adaptors up to 48 fibers

The new drawer type patch panel has been especially designed to fit all commercially available 19'' rack cabinets and to minimize project manager's headache.

The patch panels which occupy only one 1U are made of high quality steel for endurance and robustness and are electrostatically painted and finished in light grey (office grey) colour.

The patch panel drawer type enclosures belong to the Fiber-Net™ series developed by OPTRONICS to meet most demanding requirements of fiber optic installation engineers.

The OPFPD-KIT patch panels accept ST, FC, SC or LC type connectors. All versions are suitable for fusion splicing of loose tube cables and direct fiber termination of buffered fiber cables.

The panels can accommodate two front panels 12 positions each with any type of connector and stackable 24-position splice organiser trays.

The mounting brackets can be removed or slide backwards so to allow mounting in any type of ETSI rack.

The 1U, 19'' rack mounted panel allows easy installation and re-entry for maintenance purposes. It also allows cabling expansion since up to four cables can be accommodated in one panel.

The OPFPD-KIT comes complete with cable gland, fiber holder clips and open hole caps.

The OPFPD-KIT-F version is FULL including pigtails, adaptors, cassettes.

An extensive range of all necessary components for proper installation such as pigtails, patchcords, all types of fiber optic connectors and adaptors are available.

Order Information:

Part Number (v2.00_2018)	Description
OPFPD-12-ST-KIT	Fiber Optic Drawer Patch Panel Kit, 12 position for ST conn
OPFPD-24-ST-KIT	Fiber Optic Drawer Patch Panel Kit, 24 position for ST conn
OPFPD-24-FC-KIT	Fiber Optic Drawer Patch Panel Kit, 24 position for FC conn
OPFPD-12-SC-KIT	Fiber Optic Drawer Patch Panel Kit, 12 position for SC conn
OPFPD-24-SC-KIT	Fiber Optic Drawer Patch Panel Kit, 24 position for SC conn
OPFPD-12-SCA-KIT	Fiber Optic Drawer Patch Panel Kit, 12 position for SC/APC conn
OPFPD-24-SCA-KIT	Fiber Optic Drawer Patch Panel Kit, 24 position for SC/APC conn
OPFPD-12-LC-KIT	Fiber Optic Drawer Patch Panel Kit, 12 position for LC conn
OPFPD-24-LC-KIT	Fiber Optic Drawer Patch Panel Kit, 24 position for LC conn
OPFPD-48-LC-KIT	Fiber Optic Drawer Patch Panel Kit, 48 position for LC conn
OPFPD-24-LCA-KIT	Fiber Optic Drawer Patch Panel Kit, 24 position for LC/APC conn
OPFPD-12-SCDPX-KIT	Fiber Optic Drawer Patch Panel Kit, 12 position for SC conn (6 SC Duplex adaptors)
OPFPD-24-SCDPX-KIT	Fiber Optic Drawer Patch Panel Kit, 24 position for SC conn (12 SC Duplex adaptors)
OPFPD-48-SCADPX-KIT	Fiber Optic Drawer Patch Panel Kit, 48 position for SC/APC conn (24 SC Duplex adaptors)
Note:	OPFPD-KIT-F means panel is full with pigtails, adaptors, cassettes
